ABOUT ME

A proficient C++ and Java programmer with a demonstrated ability to develop and deliver web applications and graphic designs. Proven ability to work independently and as part of a team. Passionate and competitive individual with a proven track record of success in competitive environments. Seeking a role where I can apply my skills and experience to make a significant contribution.

CO-CURRICULAR ACTIVITIES

2020 - 2022

Club member - JUKTI

I have joined JUKTI, The official club of CSE in IUB in my 2nd semester and have been learning and working with them ever since in various events as a club member. I have experience in working in groups and team through club events.

2022 - 2023

Sub-Executive - JUKTI

I started working as a graphics designer in my club after and have helped in designing banners and posts about various events and holidays as a sub-executive of the club.

2023 - Present

Executive - JUKTI

I have achieved executive position in the club and took on more challenging task of designing event banners.

2023 - Present

Graphics Designer

I am working as a graphics designer in Quality Refreshments Factory L.L.C. and have provided any designs they needed.
